Sunset Glaze

The golden egg-wash alternative

Two golden-brown buns are shown side-by-side. The bun on the left has a label that reads "Sunset Glaze 100% food safe". The bun on the right has a label that reads "with regular egg wash". Both buns are round and have a shiny, slightly cracked surface. The background is white with a curved orange line at the top and bottom.

Sunset Glaze
100% food safe

*with regular
egg wash*

With food safety and cost control top-of-mind for any purchaser, Sunset Glaze provides a safe, convenient and consistent solution to your egg replacement needs with long lasting shine!

Homogeneous color and shine every time.
